

The 15 Best, Most Beautiful Hotels in the U.S.

by Stacey Leasca

From sea to shining sea, America's filled with epic hotels at your beck and call. And though some come with insane views, larger-than-life pools, and some serious incentives (that can make every beer lover's dream come true), others are just downright beautiful. And that, my traveling friends, is reason enough to book.

From beachside masterpieces in Malibu to airstream dreams in Texas, over-the-top wellness resorts in Utah to flashy Vegas suites, these are the 15 most beautiful hotels in America worth traveling to right now.

The Logan: Philadelphia, Pennsylvania

What better place to go with your buddies than the City of Brotherly Love? In Philadelphia, book a stay at one of its most striking hotels: The Logan. At the hotel, guests can take advantage of spa services and a well-appointed gym. But, perhaps the best thing about this hotel is the fact that each room comes with a “Rocky”-inspired robe for you to rock during your stay.
