## This Luxe Spa Is Now Offering The Ultimate CBD Treatments

by Raya O'Neal · November 12, 2018

If you haven't incorporated CBD into your self-care routine, it's never too late to join in. [The Spa at The Logan](#), located in Philadelphia, is offering luxe CBD infused treatments, something not yet available in NYC.

Rated #1 among spa and wellness centers in Philadelphia, The Spa at The Logan recently unveiled a selection of soothing offerings using pure oils and restorative balms infused with CBD, a naturally occurring chemical compound found in Cannabis. If you're unfamiliar with CBD (Cannabidiol), it is the non-psychoactive component extracted from the Hemp plant. It doesn't make you feel high, but helps with anxiety, stress, chronic pain, and much more. Click through to find out more about the treatments guaranteed to make you feel chill AF.
