There's definitely something in the air come holiday season. If you're looking to propose to the love of your life, we've got just the places to do the adorable deed. Here, four ways to propose to your special someone in Philadelphia:

Paramour

With a name literally meaning "to take a lover," we can't think of a better setting to pop the big question. Be sure to reserve an intimate table for two, and order up some of their most decadent options like the Cinderella Pumpkin Bisque and the petite filet au poivre. When she says yes, toast a little bubbly with your beau over the indulgent piedmont dessert for a delicious ending to a romantic evening. 139 E. Lancaster Ave., 610-977-0600

If you're looking to plan the perfect storybook proposal, check out The Logan Hotel's "Just Say Yes" package. Here, a dedicated team of experts will be sure to set the scene by choosing between an executive suite, a private pod at Assembly's Rooftop Lounge, or an intimate dinner at the Library. They'll move onto picking cocktails, tasting plates, and private dinner options to make sure the moment is unforgettable. If you want a bit more to really impress your love, opt for a helicopter ride over Schuylkill Banks with a banner asking, "Will you marry me" on display at the hotel. Carry the celebrations on afterward by checking into a room for the night, indulging in live music, or choosing a relaxing couple massages. 1 Logan Sq., 215-963-1500
